PRIVATE LINE TELECOMMUNICATIONS
SERVICES IN ARIZONA.
DOCKET NO. T-20937A-15-0290**

Summary

On August 14, 2015, Digital Transportation Corporation ("DTC" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("CC&N") to provide private line telecommunications services in the State of Arizona.

The Commission's Utilities Division ("Staff") has recommended approval of the application, subject to certain conditions. The Commission is not bound by the proposals made by DTC, Staff, or any intervenors.

A copy of the application is available at DTC's offices 1720 Q Street, Sacramento, California 95811; at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona, for public inspection during regular business hours; and on the Commission's website (www.azcc.gov) using the e-Docket function.

The Commission held a hearing on the application on April 11, 2016, at the Commission's offices, 1200 West Washington, Phoenix, Arizona. The Commission determined that DTC failed to provide sufficient public notice of the application. Therefore, the Commission directed the Company to publish this notice to allow interested parties time to file comments on the application and/or to request intervention in this matter. The Commission will issue a Decision regarding the application following consideration of testimony and evidence presented at an evidentiary hearing.

Written public comments may be submitted by mailing a letter referencing Docket No. T-20937A-15-0290 to the Arizona Corporation Commission, Consumer Services Section, 1200 West Washington, Phoenix, AZ 85007, or by submitting comments on the Commission's website (www.azcc.gov) using the "Submit a Public Comment for a Utility" function. If you require assistance, you may contact the Consumer Services Section at 602-542-4251 or 1-800-222-7000 (outside the metro Phoenix area).

About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.

To request intervention, you must file an original and 13 hard copies of a written request to intervene with Docket Control, 1200 West Washington, Phoenix, AZ 85007, no later than **May 6, 2016**. You also must serve a copy of the request to intervene on each party of record, on the same day that you file the request to intervene with the Commission. Information about intervention and sample intervention requests are available on the Commission's website (www.azcc.gov) using the "Intervention in Utility Cases" link.

Your request to intervene must contain the following:

1. Your name, address, telephone number and the name, address and telephone number of any party upon whom service of documents is to be made, if not yourself.
2. A reference to Docket No. T-20937A-15-0290;
3. A short statement explaining:
 - a. Your interest in the proceeding (e.g., a customer of the Company, etc.)
 - b. How you will be directly and substantially affected by the outcome of the case; and
 - c. Why your intervention will not unduly broaden the issues in the case;
4. A statement certifying that you have served a copy of the request to intervene on the utility or its attorney and all other parties of record in the case; and
5. If you are not represented by an attorney who is an active member of the Arizona State Bar, and you are not representing yourself as an individual, sufficient information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31, 38, 39 and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before May 6, 2016. If representation by counsel is required by Arizona Supreme Court Rule 31, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, Shaylin Bernal, E-mail Sbernal@AZCC.gov, voice phone number 602-542-3931.
